

## About Me

This is the page where I can tell you a little more about me. I have been a Florida State licensed Realtor for over 6 years and am the Broker/Owner of Churchill Real Estate located in Fort Myers. I first started coming to the Fort Myers/Cape Coral area over 15 years ago on family holidays to visit close relatives who live in the area. Like many fellow Brits, my husband and I got the urge to purchase a second home in the sunshine for us to enjoy and maybe make a little money on as an investment. In 2001 we took the plunge and purchased a property in the area that we run as a vacation rental home. In 2004 we left the UK and relocated to the Fort Myers/Cape Coral area full time. Once a resident, I noticed there was a gap in the market for a Realtor offering impartial, honest advice on what it really takes financially to own a second home and what kind of property makes a successful vacation rental. To talk sensibly to someone who has been there and done it, experienced the pitfalls and the true joy of owning their own piece of paradise, please e-mail me or call me on 239 699 0255.
